About Us

PROUDLY 100% AUSTRALIAN OWNED AND MADE

At Modern Design Wardrobes, we believe your wardrobe should be more than just storage it should be a seamless blend of style, functionality, and craftsmanship. With over 15 years of experience in custom joinery, we specialise in creating wardrobes that are tailored to your lifestyle, space, and aesthetic.

From sleek built-ins to luxurious walk-in designs, every project is crafted with precision and attention to detail, using premium materials and modern finishes. Our team works closely with you to design solutions that maximise space while elevating the look of your home.

Built In Wardrobes

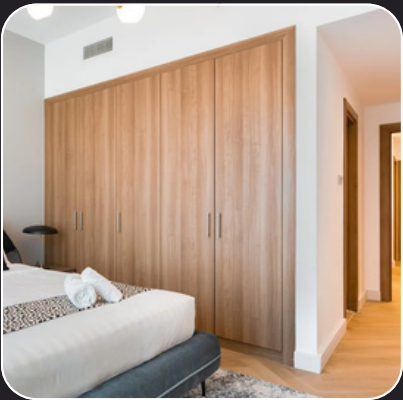

Built in wardrobe form 80% of our business. That is the reason why we have a wide range of designs and door types to suit everyone's individual needs. Our experienced designers will assist you in choosing the right type of doors and internals to maximise your space. Safety, functionality and style are achieved with all our products.

Freestanding Wardrobe

Our Freestanding wardrobes are the ideal storage solution for any space, especially perfect where space is limited. These are a great choice for people who are renting because they do not need to be fixed to any walls, therefore no damaging is done to the property. They provide a stylish, professional and modern look with concealed fixings and a range of accessories and can be customised to suit your desired look.

Greenacre Project

When this family set out to create their walk-in wardrobe, they wanted a space that was not only highly functional but also refined in design. The goal was to combine everyday practicality with a touch of luxury, ensuring every item had its place. The oak-finish cabinetry sets a warm, natural tone, enhanced by sleek black hardware for a contemporary edge.
